

Thinks?

MODE OF
PAYMENT

pre
payment
calculation

how much
interest
rate

Prefers ?

prefer people
with large
assets .

providing loan to
people having
multiple income
source

two or more
working
people from
a family .

fixed salaried /
month salaried
person.

Does ??

Analyse loan
takers's
history of
loan .

analyses
currently
active loans

Gets the
salary details

Get P/L statement
of 2 to 4 years in
case of self
employed

Feels?

can we
recover if the
taker defaults

Is the loan
taker can
be
trustable ?

will the
money get
risked ?
